

The

7C'S

of the
Global
Knowledge
World

Join the Chief Explorer on an Expedition of the 7Cs in order to successfully navigate the waters of economic changes, conflicts and complex challenges in both organizational performance and personal relationships.

01

CURIOSITY

Authentic interest in ALL aspects of our environment.

03

COLLABORATION

Willingness and belief that working together to co-create solutions yields better results.

05

COURAGE

Conviction and belief in oneself.

07

COMPASSION

Genuine desire to understand and empathize

02

CREATIVITY

Capacity to think differently and design new approaches.

04

COMMITMENT

Ability to go the extra mile every time, be resilient and stay the course.

06

COMPETENCE

Practice personal mastery, and be an eager learner in developing powerful implementation skills.

Don Simpson is the Chief Explorer for the Renaissance Expedition, searching the world to identify, connect, support and promote Renaissance Leadership.
